CF Team Natalie, Ltd. is a 501(c)(3) organization dedicated to raising funds for research, care, advocacy, and a cure for Cystic Fibrosis. On November 22, 2018, we will hold the annual Cystic Fibrosis Turkey Trot in Wyoming. This 5K run/walk has attracted hundreds of participants since it began in 2013. Race proceeds will benefit Cystic Fibrosis charities that are striving to develop medications and therapies that will prolong and improve the lives of people with this inherited, life-shortening disease that affects the lungs and digestive system.

**Join us in making CF stand for Cure Found!**

We are again looking to partner with local businesses and organizations to assist in deferring the cost of hosting this popular race, which continues to grow and provide a meaningful investment for sponsorship participants. Hundreds of participants of all ages and paces are expected at this year's run, as well as their families and friends who come to support. As the Race Director, I invite you to take advantage of this advertising and promotional opportunity as a sponsorship participant. Expose your business in local and social media advertising, race T-shirts, posters, our website, and more!

Your financial support will assure the success and high quality of this event, and allow substantial proceeds to be donated to organizations that are essential in the battle to end Cystic Fibrosis. Benefit details of all sponsorship levels are listed on the enclosed Sponsorship Commitment Form.

We hope that you will join us for this worthwhile community event and we look forward to working with you on the CF Turkey Trot. In advance, we thank you for your support.

Sincerely,

Carrie Bartholomew  
President of CF Team Natalie, Ltd.
